1. Conference on Pragmatic Poetics
Warsaw, March 21–22, 1974

The conference was organized by the Polish Department of Warsaw University to present partial results of study of pragmatic poetics, which, conceived on wide scale, is being conducted by Andrzej Lam, the head of the Chair of Theory of Literature and Poetics. Continuation to this research were studies of dialogue, the outcome of which was presented on the conference on dialogue in literature in 1975. The pragmatic poetics, understood in different way than it is done by scholars of other countries (e. g. D. Breuer with his "pragmatic analysis of the text") has been dealt with in many articles published in such Polish scholarly magazines as "Zagadnienia Rodzajów Literackich," "Przegląd Humanistyczny," "Miesięcznik Literacki," "Regiony." Recently there have also appeared the following books on the subject: *Problemy poetyki pragmatycznej*, ed. by E. Czaplewicz; E. Czaplewicz, *Wstęp do poetyki pragmatycznej*.
