The Aim and the Scope of the Journal

Equilibrium. Quarterly Journal of Economics and Economic Policy is a scientific journal dedicated to economics, which is published by Institute of Economic Research and Polish Economic Society Branch in Toruń in partnership with the Faculty of Economic Sciences and Management at Nicolaus Copernicus University in Toruń. The journal constitutes a platform for exchange of views of the scientific community, as well as reflects the current status and trends of world science and economy. We welcome articles written in:

- Macroeconomics and Monetary Economics,
- International Economics,
- Financial Economics,
- Public Economics,
- Labor and Demographic Economics,
- Economic Development, Technological Change, and Growth.

The journal is addressed to international community. However, especially economists from Central and Eastern Europe are invited to cooperate and submit papers, as well as publish their original research results concerning the economies of this part of Europe.
