SUMMARY OF THE *MEDICAL LIBRARY FORUM*

At the initiative of Directors of Polish medical libraries, a new periodical “Medical Library Forum” appeared on the publishing market. Ryszard Żmuda, M.A, PhD has been appointed a chief editor. The semi-annual, reviewed by professors, has also its electronic version, available on the website of the Main Library of the Medical University in Łódź. (<http://www.bg.umed.lodz.pl>).

In the second issue of “Forum” of the year 2008, with a preface written by Prof. Małgorzata Sznirowska, M.D.Ph.D, a Vice Rector for Research and International Relations of the Medical University of Gdańsk, 10 articles and 35 reports, presentations and announcements, from 2 conferences addressing to the problems of medical libraries, organized by the directors of university libraries Anna Grygorowicz, MEng. from the Medical University of Gdańsk (21-22nd 06.2004) and Danuta Dąbrowska –Charytoniuk M.A from the Medical University of Białystok (7-9th 09.2005), were presented. Information concerning publishing houses, collection agents, computer companies and library equipment sellers were also included.

The following articles were published in the issue: Jolanta Przyłuska, M.A, Ph.D (Łódź- Institute of Occupational Medicine): “*Medical library as intellectual support for the scientific environment*”, Dagmara Budk, M.A. (Szczecin Pomeranian Medical University): “*Scientific publications scoring in medical universities – an attempt to unify the rules*”, Wioletta Dyjas, M.A, Justyna Steiffert, M.A.(Katowice Medical University of Silesia): “*Exemplary application of Wiki software in a medical library*”, Agnieszka Zarnecka, M.A (Medical University of Warsaw): “*Desktop publishing service model in the offer of university library*”, Barbara Grała, M.A, Witold Kozakiewicz MEng (Medical University of Łódź): “*Infobrokering, Deep-*

Web searching – a new role of a scientific information worker”, Roma Hajduk M.A. (Medical University of Poznań):

”*A Textbook base of internal medicine and surgery- ACP Medicine and ACP Surgery*”, Marzena Malajka, M.A., Ewa Szczędzina, M.A. (Katowice Medical University of Silesia):”*A citation base of publications by the workers of Medical University of Silesia*”, Anna Radomska, M.A, Jolanta Przyłuska, M.A PhD (Łódź- Institute of Occupational Medicine:”*Ability to build information offer according to the needs of users. Experiences of the Scientific Library of the Nofer Institute of Occupational Medicine*”, Sebastian Krzepakowski, MEng, Piotr Szepliński, MEng, (Technical University of Łódź): ”*Card catalogues accessible online*”, Bogumiła Bruc, M.A. (Medical University of Łódź): ”*Information system in the Canadian corporate library of a pharmaceutical institution*”.

Conference materials included photographs. Subject matter of the scientific congresses was devoted, in Gdańsk, to:”*The policy of amassing and profiling collections in Polish medical libraries in the era of modern information technology*”, in Białystok-Białowieża, to: ”*International cooperation of libraries in the era of changeable users’ needs.*”

The information on medical publishing houses, bookshops, collection acquisition intermediaries, computer firms and sellers of library equipment was also given.

Prof Hanna Tadeusiewicz, M.A, PhD – the chair of Library Science and Scientific Information of the Medical University of Łódź wrote a “Review” of the first annual journal “Medical Library Forum” 2008 (No2).
