## WHAT IS APPROPRIATE FOR US?

We welcome submissions on widely comprehended security. Papers of non-scientific character that consists merely of opinion are generally rejected. Our rule is to define "security" broadly, so the topics of analyses we are interested in are numerous, below please find only few examples of them:

1. **THEORY OF SECURITY STUDIES**, including new propositions of definition of relevant concepts and attempts of applying existent theories that are important for contemporary securitology.
2. **TECHNOLOGY**, i.e. analysis of all kinds of technological aspects of national and international security.
3. **MARTIAL ARTS**, papers regarding philosophy of modern and traditional Budo as well as analysis of work-outs for athletes training hand-to-hand combat.
4. **DISPOSITIONAL GROUPS**, analysis of schooling, trainings and work of uniformed services, antiterrorists and other.
5. **LAW**, analysis of legal aspects of national and international security and order.
6. **HISTORY**, new interpretations of or new information on historical events.
7. **POLICY**, analysis of contemporary security policy issues.
8. **FORENSIC SCIENCE** and criminalistics.
9. **ETHICS**, analysis of ethical aspects of administration, praxeology, combat sport etc.
